

Board Profiles

Andrea Kennedy

Andrea chose to put down roots in the Durham Region in 2000, and moved her family to Whitby. As a parent, Andrea is keenly aware of the challenges facing youth today. She hopes that the contributions she makes to this DFCC Board in areas of Communications, Marketing, and Fund Development, will help to raise the profile of the organization. This, in turn, will bring more community awareness and support to the needs and vulnerabilities of our youth population, and allow DFCC to broaden its impact through enhanced programming and service delivery.

An active community member, Andrea has volunteered her time and expertise to several local organizations including: Downtown Whitby Development Steering Committee, the Whitby Chamber of Commerce Board of Directors (Past President), and the Whitby-Brooklin Block Parent Program (Past Chair). She is currently a Futurpreneur Business Mentor, and a Mentor through the Forum of Women Entrepreneurs.

As well as owning and operating her own business from Whitby, Andrea has been an Advisor at the Spark Centre, and an Instructor at in the Faculty of Business and IT at UOIT. She currently supports the Town of Whitby in her role as Executive Advisor to the Mayor.
